Good morning Students, Parents, Fans of the Exira-EHK Spartans.

PreK-5 Principal
Rochelle Bruns

Last night during the Girls Regional Basketball game between your Exira-EHK Spartans and Glidden-Ralston, we had a situation arise towards the end of the game in which some of our fans were not supportive of our cheerleaders and did not show Spartan Pride.

As adults, we need to remember that all individuals involved including cheerleaders, players, coaches, and officials are doing their best. I have continued to research who was involved and will be having conversations with the individuals. My philosophy is if you can't say anything nice or cheer in a positive manner then don't say anything at all. Continued use of poor sportsmanship will result in the individuals involved being banned from future Spartan activities.

As a district we want to have our students involved in extra curricular activities and to have a positive experience. As adults we need to do a better job of being positive role models. The following is a reminder of the expectations of everyone who attends.

The administration, staff and students of Exira-EHK School District supports our state activities associations in making Good Sportsmanship a priority. Negative comments and acts directed toward players, coaches, fans, or officials do nothing positive in the development of these young people as future citizens. Be a Good Sport for your Students, School, and Community.
